

E1553 Intensive Japanese 4A

Yokohama
OIKAWA Chiyoka/ SHIMIZU Keiko/ KUNO Yuko
Tue 2 /Wed 1, 2/ Fri 2

【Course Description】

This course is designed for students who have completed at least six semesters of Japanese language courses at college or its equivalent in spoken as well as written Japanese. Students are supposed to possess the abilities to read and write simple essays and communicate smoothly in everyday situations.

【Class Goals】

The class aims to upgrade the learners' overall communication skills from the upper intermediate level to the advanced level through reading appropriate examples of authentic Japanese writings combined with discussion and reports which deepen their understanding of the materials. Various aspects of Japanese culture will be introduced through the active use of Japanese language already covered.
